WLYC

SPONSOR RECOMMENDATION

You may sponsor a Family Membership application if you have been a member in good standing for 2 years.

This enclosure to the WLYC membership form is intended to provide further information to assist the membership committee selection process. The sponsor should provide the prospective member an overview of WLYC and ensure the applicant knows the club exists only because the members, themselves, are responsible for the running of the club. Volunteering is an essential responsibility that is incumbent upon every member. All new members ***and their sponsors*** will be expected to volunteer for at least one activity or work party during the course of the year. This will enable new members to 'learn the ropes' and meet the other members of the club.

In compliance with the Family Membership, sponsors hold partial responsibility for their member becoming a permanent family member. If an introductory member is not asked to become a permanent family member, the sponsor will realize a one -year penalty during which time he/she will not be eligible to sponsor another new member.

In the space below, a sponsor should explain in detail why their candidate should become a member of WLYC. Members of WLYC are a diverse group that embodies all ethnic, religious and financial backgrounds. Candidates, who have been sponsored by members who have shown a willingness to participate in WLYC activities, have an interest in sailing, or have a special skill that has benefited the club, will be given the strongest consideration. Please take the time to complete this form for the benefit of the applicant and WLYC.

Thanks from the Membership Committee
