

Wequaquet Lake Yacht Club
Green Fleet Invitational.
07/06/10

Report: We had a beautiful day on Lake Wequaquet, on Tuesday July 6th, 2010. Wind was nonexistent at registration time but quickly picked up to 8-10 knots out of the North for a splendid Green Fleet Regatta. 30 young green fleters showed up for a 6 race regatta. The weather was hot and sticky but the kids had plenty of breaks with snacks and swim times in between their races. We look forward to hosting this event again and are trying to incorporate all classes in next year's invitational.
