

# WE ARE LOOKING FOR VOLUNTEERS TO JOIN THE SCHOLARSHIP TEAM FOR THIS UPCOMING 2008 SEASON

For the past twenty years, the Wequaquet Lake Yacht Club has supported our young family members by offering the WLYC Scholarship and Dan Gallagher Scholarship. Our membership realizes that as young members grow up and begin college, support from home is important. We commend all of you and understand what a huge step it is for some of you to continue your education by attending a college or university.

Through out the summer, Scholarship funds are raised through 50/50 raffles, Golf Tournament, and a Scholarship weekend full of activities for everyone to enjoy. This weekend of events is an enormous responsibility. Therefore, there is a scholarship committee, which depends on applicants and their families to volunteer their time during the weekend to make it a success.

## WE NEED YOUR HELP !!!

We are looking for 6- 8 people to volunteer on the team who can bring new ideas and creations to help raise money for our kids over this fabulous weekend.

The past scholarship members who have served on the committee for a number of years, are joining other committee's at WLYC and we need you to help continue this tradition. The past members will sit down with the new committee and go over the process of the weekend with any questions that you may have.
