PO Box 399  
Centerville, MA 02632

## **WLYC Volunteer Requirement Information**

In order to operate season after season the Club and all its requirements requires a massive amount of coordination and effort by its members. It has been said to me on many occasions that 20% of the people do 80% of the work. In an effort to instill some pride and shared responsibility by all members, the Board has voted and approved implementing a refundable volunteer deposit (one per family) is included in your 2014 dues total. It is important to remember this deposit is refundable upon completion of your volunteer requirement.

### **What is the volunteer requirement?**

There are so many ways and reasons to help volunteer at the Club from installing and removing docks and moorings, opening and closing the building, and many events. A volunteer schedule by event will be created and distributed via email as well as posted at the Club. There will of course be a limit to each event based on required needs, so as not to have one event with 100 people and none the rest of the season. So don't wait to sign up as lists will close quickly. You are encouraged to request assignment preferences and proactively communicate special situations; however final assignments will be based on specific needs. If you would like to run an event, you should speak with someone on the Events Committee and come during New Member Night. Upon completion of at least 2 hours of verified Club volunteer work, your check will be returned to you.

### **How does the volunteer deposit work?**

Please write a separate check for \$50 dated September 1, 2018. The check will be held until the end of the season. At the beginning of the season, you can sign up on SignUp Genius for event(s). Your presence will be verified by the event coordinator. Anyone who does not volunteer by the end of the season will have their check cashed.

### **Please remember as per our Bylaws regarding payments:**

*Section 1:* The annual dues of this Club shall be determined by the Board of Trustees each year. Dues shall be payable by May 1st or on election to membership.

*Section 2:* Prior to April 1st, notice of the dues for the current year shall be sent to each member. If such dues are not paid by May 1st, the member's name, together with the amount due shall be reported to the Board of Trustees.

*Section 3:* The Board of Trustees may suspend any member whose name has been reported to them for non-payment of dues. Unless this default is satisfactorily accounted for to such Board; they may declare such person to no longer be a member of the Club and membership shall thereupon cease.
